

White Oak Church Family,

The Church Council met on Tuesday, February 9th and discussed our options for safely resuming in-person Sunday morning services, Student Ministries, Small Group gatherings, and Sunday morning Nursery-Children's Ministries (Wonderland).

Since the number of COVID 19 cases have been decreasing and more people are receiving the vaccine, we felt that it was time to encourage you and your family to join us again on Sundays for Worship starting this Sunday, February 14th.

At this time, we believe it is wise to require masks to be worn inside the building at all times. Prayerfully, we hope to lift this restriction in the next couple of weeks. And, please continue to follow the social distance practices while attending services.

Student Ministry will also begin this Sunday under the mentioned guidelines. Please check with the Student Team leaders for more information on the exact time and place for gatherings.

Wonderland (ages 4yrs old – 5th grade) will also resume this Sunday at 10:30am. Please register online if your child/children plan to attend, as space is limited. Children age 4 and older must also wear a mask.

All Children's Ministries (birth – 5th grade) will resume NEXT Sunday, February 21st with required registration.

The Church Council along with the Health Advisory team will monitor the situation over the next couple of weeks and pray we will continue to see a reduction in the number of COVID-19 cases in our community. We so look forward to the day when we can see everyone's smiling faces again in our Worship services.

Thank you so much for your patience and understanding as we all try to serve one another and grow in Christ while remaining diligent in protecting the health of all those in the White Oak family. We greatly appreciate your continued faithfulness to the work God is doing through our church in our community.

One last thing... If you are interested in the Connect Groups we talked about over the past couple of weeks, more information is available on our website. You can also register as a Host or Participant.

In Christ – Pastor Scott
